Vault Security & Surveillance

Singapore is one of the world's safest jurisdictions.

Even so, BullionStar takes no chances with the safety and security of your bullion. BullionStar's vault is a steel bar reinforced concrete vault protected with industry-leading security features. The vault is safeguarded by seven different modes of surveillance and security and is protected by a 1 tonne vault door.

BullionStar employs world leading routines in handling your bullion with the utmost care and security. You can follow every step of your transaction through your BullionStar account. We also keep you updated on the status of your orders via e-mail and text message.

The high security together with a strong rule of law in Singapore contribute to Singapore being the best jurisdiction in the world for buying and storing bullion.

Insurance & Auditing

You're in good hands! Safety and protection for your peace of mind.

BullionStar's comprehensive insurance policy is provided by Liberty Specialty Markets, part of the Liberty Mutual Insurance Group, a Fortune 100 company that has been in business since 1912.

Our insurance policy covers all risks at full replacement value. Your bullion is always 100% insured. You never stand any risk whatsoever for loss or damage of your bullion when you store with BullionStar as your storage provider.

With five forms of auditing, BullionStar offers the most sophisticated bullion auditing anywhere. BullionStar's rigorous practices and comprehensive auditing ensure the safety and security of your bullion. All external auditing is done anonymously based on your vault account number to preserve your customer confidentiality.

Live Audit Report

BullionStar's live audit system allows you to verify the existence of your bullion directly against our vault inventory system. All bullion held under all BullionStar accounts can be viewed anonymously in the Live Audit Report. The Live Audit Report is updated instantly and automatically upon any vault activity.

Customer Audits

You can physically audit your bullion holdings at any time during our operating hours – No appointment required! Just walk into our bullion center and inform our staff over the counter.

Internal Audits

Each buy and sell order is verified and initialed by two bullion officers, with the processing and handling captured on several surveillance cameras. All stock and inventory data is meticulously tracked and frequently verified by physical stock enumerations.

External Audits

**BUREAU
VERITAS**

Twice yearly audits are conducted by Bureau Veritas, an approved service provider of the London Bullion Market Association and a leading auditor in the global bullion industry. Audit inspection protocols are published on BullionStar's website. BullionStar is also fully audited by a licensed auditor in accordance with Singapore law.

Safe Deposit Boxes

Securely Located Inside BullionStar's Bullion Center

Our safe deposit box facility is located in our bullion center, within its own secure vault. Safe deposit boxes are available in three different sizes, from small to extra large, to cater for bullion of all shapes and sizes. Make use of the attached private viewing room for confidential handling of your box contents.

Store bullion, jewellery, cash, precious heirlooms, important documents or physical cryptocurrency wallets. Your valuables are protected both by our high level of security, as well as our comprehensive insurance policy.

BullionStar Gold & Silver Bars with No Spread

No spread between the buy and sell price!

BullionStar Gold Bars

At any given time, the buy price for 10 pieces or more is the same as the sell price!

Commissioned by BullionStar and produced by the world renowned LBMA-approved Swiss gold refiner Argor-Heraeus, these stylish and unique 100 gram gold bars are our flagship product.

Each bar is minted in 99.99% gold and is presented in a secure and tamper-proof CertiCard assay card that serves as the bar's certificate guaranteeing the fineness and weight of the bar. With the inscription of "Money since 4000 B.C." imprinted on each bar, the bar reflects BullionStar's philosophy that Gold is Money.

BullionStar Silver Bars

The BullionStar Silver Bar is produced in 99.99% silver. At any given time, the buy price for 100 pieces or more of the BullionStar Silver Bar is the same as the sell price!

Heraeus

These 1 kg silver bars are produced by LBMA-approved precious metal refineries such as Heraeus on the behalf of BullionStar.
